

100 Years in the Making!

School District of Gilman

1917 - 2017

The start of this school year marks a very special school year. On September 17, 1917, the first school was formed in what is now known as the School District of Gilman. Come celebrate with us the long lasting tradition of excellence "Where Student Achievement Comes First." Throughout the year we will have special events and recognitions of our school and graduates.

We will kick off our Centennial Celebration at the September 15th home football game against Thorp. We are inviting all our football alumni to come join us in a special tribute.

All Football Alumni are encouraged to attend the game. Friday night we will have a table set up just inside the gate for our football alumni to sign in. Alumni will be recognized on the field at halftime. Please pass the word around. Alumni can contact us in advance of Friday's game by email: wleipart@gilman.k12.wi.us or calling the school: [715-447-8211](tel:715-447-8211)

*Volleyball alumni, family, and friends, don't forget the Volleyball Alumni Game is Monday, September 18!

As we celebrate our 100th year we want to hear from you. We are looking for stories about how Gilman Schools has made a positive impact on you and your family. We want to know where our graduates are and what they have achieved. Join in the celebration, share your story, and let's make a difference in our kids by telling our stories of success as proud graduates of Gilman!

If you have a story to share, please contact us. Stories can be sent in the following methods:

Mail: Gilman School District, % Centennial, 325 N Fifth Ave., Gilman, WI 54433

Email: wleipart@gilman.k12.wi.us

Drop Off: School District Office
